>Suggestions to open your market:

Brand business:good design,high quality ,attractive package,latest photo state ,big quantity ,big profit,choose some good product with low price ,even it is not for profit , The purpose is to let more people know your brand. Cause wholesale markets will have many customers, even if selling amount is not big, but they will have channel to know your brand.

Wholesale markets---many products, low price, big quantity, small profit. good design ,fast shipping .you need update your product very fast ,difference design and package can met your customer .
